UPDATE: Juvenile arrested in Ulysses shooting

GRANT COUNTY— The Kansas Bureau of Investigation (KBI), the Ulysses Police Department, and the Grant County Sheriff's Office shared new information related to the fatal shooting that occurred April 28, at a Ulysses park.

The 14-year-old teen who was injured in this incident died on Sunday, May 2, at Ascension Via Christi St. Francis hospital in Wichita.

Today, May 13, at approximately 4:10 p.m., deputies from the Grant County Sheriff's Office arrested a 13-year-old male from Ulysses for second-degree murder, criminal possession of a firearm, and possession of stolen property.

Following his arrest, the teen was transported to the Southwest Kansas Regional Juvenile Detention Center in Garden City. Nothing further will be released at this time.

Shooting Investigation in Ulysses

GRANT COUNTY— The Kansas Bureau of Investigation (KBI) and the Ulysses Police Department are investigating after a Ulysses teen was shot in a park on Wednesday evening.

On Wednesday, April 28, at approximately 6:30 p.m., a resident who lived near the Russ Binney Park called 911 after hearing shots fired in the park. Officers responded to the park at the northeast corner of the intersection of W. Santa Fe Ave. and S. College St., where they found a 14-year-old male suffering from a gunshot wound to his face.

The Ulysses Police Department requested KBI assistance at approximately 6:45 p.m. KBI agents and the Crime Scene Response Team responded.

Preliminary information indicates that six teenagers, four males and two females, were spending time in the park when a 14-year-old male was struck by a round from a handgun that one of the teens possessed.

EMS responded to the scene and transported the teen to the Bob Wilson Memorial Hospital. He was later flown to Ascension Via Christi hospital in Wichita. The teen is currently in critical condition.

The investigation is ongoing. Nothing further will be released at this time.
